

New 52 Ton Large Excavator - China Crawler Digger with 650 Liter Fuel Tank

Specifications :

Price	Contact us
Brand Name	Topkitparts
Model Number	52 Ton Excavator
Place of Origin	China
Min.Order Quantity	1
Payment Terms	L/C, T/T, D/P, D/A, Paypal
Supply Ability	100
Delivery Detail	3-7

Detail Introduction :

We have a complete and rigorous excavator production line, which can be customized and mass-produced in the factory, and we have a professional after-sales team, your purchase and use will be the best guarantee. support multi-function operation, fast attachment of accessories, excavation, crushing, trench cleaning, drilling and bulldozing; The large excavator is aimed at construction machinery and earthwork. It can complete the project at a lower cost and higher efficiency. It is a very good large machine and very cost-effective! And we have after-sales outlets in the world, which can better serve customers;

within one year after delivery / 2000 working hours, if there is any quality problem, we will provide you with accessories for free. Provide customized services, your exclusive shopping agent, personalized purchase, you are born different from others! (The shelf life of large excavators is 2 years/3000H)

PIPELINE OPTIMIZATION

The re-optimized design of the pilot and working device pipelines speeds up the response speed of compound actions, reduces hydraulic shock, greatly improves the softness of operation, and improves the stability of the whole machine.

HIGH-STRENGTH BODY

The use of three-dimensional CAD structural finite element analysis, simulation design of the load on the fuselage, etc., to achieve a reasonable high-strength structure. The high-strength left-right platform and high-rigidity turntable with enhanced thickness provide a guarantee for powerful excavation and high-speed walking.

OPTIMIZED SYSTEM MATCHING
